Homework -defenders use R.O.11

You are sat on the right of the dummy. The contract in all cases is 3NT.
Partner's lead is shown and the card played from dummy is indicated { it is underlined}.You must state which card you play to trick one.
If you win the lead .....and you *should* know whether you *will* win the lead, say what you will lead at trick 2 { which suit and which card }.
