10)The opponents bid to 6Sp. You are West and may feel that N/S have overstepped themselves this time. Nevertheless only one of the two West hands shown beside the auction is worth a double. Which ? Why ?

11)
You are leading partner's suit. The contract is 4Sp and your partner bid Hearts.
You lead the 9 Hrts.
The contract makes and partner berates you (fiercely) for the choice of card
you led. Any ideas why the 9 Hrts was the wrong Hrt to lead and why partner was
so annoyed?
