

# Homework Cuebidding/Blackwood

Look at the shown bids in the auctions below.

Do you think the Blackwood bidder should have used 4NT ( or should they have cuebid ?).

In the following auctions cuebids were used rather than Blackwood.

i) Was a cuebid the best choice ? (Y/N)

ii) if you do think cuebidding was correct would you have made the same cuebid as shown in the auction or come up with an alternative cuebid ?
