

## Homework -Defensive measures

In the first hand the declarer comfortably made their contract of 3NT.  
Your partner who is something of a beginner may have been less than resourceful in defence. Can you guess what may have happened to assist declarer ?  
The lead was the J Sp.

Partner again perhaps was not at their best . The contract was 4Hrt and you led the 2Sp .If the dummy played their lowest spade which spade should partner have played?

You are on lead against 4Sp and try the Q Hrts. This lead is trumped by declarer who proceeds to lead the K Sp. How do you play from here ?
