

7) You are South and on the next two hands below you have no fears that partner won't make their call. In fact it occurs to you that a slam might be on. How do you decide ? { No doubt if you do decide to bid on you might use Blackwood BUT the question is what is it that makes you decide to bid on or not ? }

8) The opponents are in 4Sp and partner leads the J Hrts. We will say that you win at trick 1. What now ?

(dummy)	(you)
KQ87	43
54	A762
KQJ	98542
QJ109	A4

9) The opponents are in 4Sp and partner leads the Q Hrts. Dummy wins and probably leads the K spades. Your plan?

(dummy)	(you)
KQ87	A3
AK3	1082
AQJ	K852
953	A872

10) Try and make the two 6Sp contracts below on the lead of the Q Hrts. State *precisely* which cards you lead and your general plan(s).
