

Try this defensive problem.

You lead the K sp at trick 1 versus 3NT with partner playing the 4.

{ The K sp was the correct lead from your holding }.

Your K spades loses to declarers Ace Spades.

At trick 2 the K Hrts is led. You win and lead what ?

Better play a hand or two or you will get rusty.

Contract 6Sp. Lead K diamonds. Play on ...

8)	(declarer)	(dummy)
	KQJ109	8765
	AQ	KJ10
	A4	9876
	AKQJ	32

You are in 4Sp and receive the lead of the K Hrts.

We will say that you win.

At trick 2 you .....

	3	KQJ2

Somebody has bid badly in the following auction.

Name and shame the culprit .
